

Wapakoneta, Ohio

FIRST ON THE MOON

June 2019

For general information purposes only

*firstonthemoon.org * #firstonthemoon * First On The Moon on Facebook*

The 2019 50th Anniversary Celebration and the expanded 2019 Summer Moon Festival are a collaboration of stakeholders in the greater Wapakoneta community who have come together to interpret, commemorate and celebrate the achievement that was the Apollo IX lunar landing mission and Astronaut Neil Armstrong's historic first steps on the moon on July 20, 1969.

The following committee members are the main points of contact for the organizational structure of the event – feel free to reach out to any of them for additional information:
