

Wapakoneta Porch Music Fest

Sunday, June 23, 2-5 pm

rain date: Sunday, June 30

We will make the call by noon on Sunday whether to use the rain date, and post on Facebook (First on the Moon, If You Grew Up in Wapakoneta, and Wapak Ledger)

Celebrate Neil Armstrong's love of music with live music created by Auglaize County musicians on five west end Wapakoneta porches!

The complete schedule—with locations—is on the opposite side of this sheet.

Bring a lawn chair or blanket.

Park your car and walk to the performance sites.

You may even hear a moon or space-themed song as tribute to Mr. Armstrong!
Spend a wonderful afternoon enjoying live music.

Please respect private property.

Do not block driveways, walkways, or sidewalks, and watch out for flower beds.

We want to celebrate as good neighbors!
